

### COD Computer-Based Training

---

Federal Student Aid is pleased to announce the availability of the COD Computer-Based Training (CBT). The COD CBT includes enhancements that have been made to the COD System, the [COD Web site](#), and associated Web sites and software products through June 28, 2008.

The COD CBT consists of component simulations and CBTs. Each COD CBT component is explained below. The electronic files associated with each component, as well as information about downloading and navigating the COD CBT, are available on the Information for Financial Aid Professionals (IFAP) Web site. Under the “Tools for Schools” section on the home page, click on [COD Computer-Based Training](#).

The components of the COD CBT are as follows:

***COD System Simulations*** – The COD System Simulations offer lessons that explain the [COD Web site](#) screens and functionality available to a school administrator. There are 14 lessons (one with two parts) with text to guide a user through each area of the [COD Web site](#). By entering fictitious data, the user can explore basic navigation and functions of the [COD Web site](#) and practice locating and creating information in a safe environment that includes tips for assistance.

***Direct Loan Reports CBT*** – The Direct Loan Reports CBT includes three lessons that explain the COD reports a school can use to assist with the reconciliation process for William D. Ford Federal Direct Loan (Direct Loan) awards.

***Grant Reports CBT*** – The Grant Reports CBT includes three lessons that explain the COD reports a school can use to assist with the reconciliation process for Federal Pell Grant (Pell Grant), Academic Competitiveness Grant (ACG), and National Science and Mathematics Access to Retain Talent Grant (National SMART Grant) awards.

***Direct Loan (DL) Tools Simulation*** – The DL Tools Simulation demonstrates how to use the DL Tools software to assist with the reconciliation process for Direct Loan awards. Although the simulation can be used both by schools that use the EDExpress for Windows software and schools that do not use this software, the simulation is especially useful for schools that do not use the EDExpress software on a regular basis but are interested in a Direct Loan reconciliation resource.

***eMPN Online Simulations*** – The eMPN Online Simulations offer a step-by-step walk through of the process for completing a Direct Loan Master Promissory Note (MPN) via the [Direct Loan Electronic MPN Web site](#). There are three lessons with text to guide a user through student and parent aspects of the eMPN process.

***Completing an Agreement to Serve (ATS) Website Simulation*** – The Completing an ATS Website Simulation provides a step-by-step walk through of the process for completing a Teacher Education Assistance for College and Higher Education (TEACH) Grant ATS via the [TEACH Grant ATS Web site](#).

If you have questions or comments about the COD CBT, contact the COD School Relations Center. If you e-mail your question or comment to [CODSupport@acs-inc.com](mailto:CODSupport@acs-inc.com), please include “COD CBT Question/Comment” in the subject line.
