

NATIONAL DIRECT STUDENT LOAN COALITION

Interested in Direct Lending?

Want to switch from FFEL to DL?

THE COALITION CAN HELP!

For schools that are considering moving to the Direct Loan Program in the year ahead, the Coalition offers a number of tools to assist with the transition:

- A **sample executive summary** -- to assist you in making the case for direct lending to your upper administration
- A **Direct Loan Set-Up Brochure** -- with a checklist of steps for initiating direct lending with the U.S. Department of Education
- A **list of mentors** who can help you set up the internal systems you will need at your school
- A **sample announcement or press release** -- to help with communicating with students and families about the transition

Other helpful materials are available on our **Institutional Tools** page. We encourage you to take advantage of them and all of the information on this website, and we look forward to welcoming you to NDSLCLG!
