

# NATIONAL DIRECT STUDENT LOAN COALITION

**The National Direct Student Loan Coalition (NDSL) is the only organization exclusively dedicated to representing your interests and those of direct lending institutions across the country.** The Coalition is comprised of volunteers committed to protecting and improving the Direct Loan Program.

Our members are financial aid professionals from participating institutions. Benefits of membership include:

- ▶ E-newsletters and special e-alerts that cover the most up-to-date information for Direct Loan school officials.
- ▶ Insight on how to effectively work with contractors and insider knowledge on what's happening with the Direct Loan Program from Capitol Hill, the Department of Education and other relevant sources.
- ▶ Access to special areas of our website where we develop strategies, share knowledge and provide practical tools to defend the program.

**Together, our voices are a powerful force when we deal with the Department of Education and as we communicate with members of Congress to assure the Direct Loan Program remains a viable source of student aid.**
